READ YOUR CONTRACT

Read your Contract carefully. This outline of coverage provides a very brief description of the important features of your Contract. This is not the Contract, and only the actual Contract provisions will control.

The Contract sets forth in detail the rights and obligations of both you and SelectHealth. It is, therefore, very important that you read your Contract carefully.

If you are approved for coverage, you will receive an ID Card and a Contract, which will explain benefits, limitations, exclusions, and managed care provisions in detail. Please refer to your Contract for your covered benefits listed on a Member Payment Summary.

GENERAL LIMITATIONS AND EXCLUSIONS

Accepted Medical Practice

Services determined by SelectHealth to be inconsistent with accepted medical practice or services that are illegal are excluded. This includes any service which is not generally recognized by the U.S. medical community as conforming to accepted medical practice, and any service for which required governmental approval has not been granted at the time the service is provided, including services which are investigational, experimental, or research in nature. Procedures, devices, drugs, or “biologics” for which there is insufficient evidence to determine their likely effects on patients’ health outcomes are also excluded.

Calendar Year

Unless otherwise noted on your Member Payment Summary, plan benefits are calculated on a calendar year basis regardless of when you are enrolled. Out-of-pocket maximums and limited benefits start over on January 1.

Claims After One Year

Claims are denied if submitted to SelectHealth more than one year after services were rendered unless you can show that notice was given or proof of loss was filed as soon as reasonably possible. Adjustments or corrections to claims are denied if submitted to SelectHealth more than one year after claims were first processed, unless you can show that the additional information relating to the claim was filed as soon as reasonably possible. Where SelectHealth is secondary coverage, coordination of benefit’s claims will be denied if submitted to SelectHealth more than three years after the date the claim was first processed by the primary carrier unless you show that notice was given or proof of loss was filed as soon as reasonably possible. If it is discovered that SelectHealth is primary when they were believed to be secondary, and claims were submitted within the filing deadline to the other carrier first, SelectHealth will consider claims up to three years from the date of service.

Excess Charges

Amounts exceeding eligible charges are excluded. You are not responsible for excess charges for covered services from participating providers and facilities. Excess charges paid to nonparticipating providers do not apply to your out-of-pocket maximum.

Limited Benefits

Normally covered services that exceed benefit limits specified on the Member Payment Summary (e.g., dollars, days, visits, etc.) are excluded and not applied to the out-of-pocket maximum, including, but not limited to, services exceeding benefit limits for skilled nursing facilities, rehabilitation therapy, psychiatric services, etc.

Medical Necessity

Services, equipment, and supplies that are not medically necessary are not covered.

Noncovered Services and Complications

All related expenses, accommodations, materials, or care for noncovered services are excluded, including complications resulting directly from a noncovered service. When a noncovered procedure is performed as part of the same operation or process as a covered service, then only eligible charges relating to the covered service will be eligible for benefits. Eligible charges may be calculated to exclude any charges related to the noncovered service.

No Presumption of Coverage

There is no presumption of coverage. Services not specified as covered are excluded.

PRE-EXISTING CONDITIONS (PEC)

Limited Coverage of Pre-existing Conditions

Pre-existing conditions, if applicable, or sickness or injury directly resulting from or related to such pre-existing conditions are not covered until you have been covered by SelectHealth for 12

months. See the Contract for details. Acceptance under these plans does not imply any waiver of pre-existing condition waiting periods.

Definition of Pre-Existing Condition

A pre-existing condition is a condition occurring or present in the six-month period prior to a member's enrollment date of coverage for which medical advice, diagnosis, care, or treatment (including prescription and over-the-counter drugs) was either received from or recommended by a provider.

NOTE: *If medical records or claims for you and/or your dependents document the presence of a pre-existing condition that was not fully disclosed on the health questionnaire, your coverage may be altered or terminated.*

Pre-Existing Condition Waiting Period

If you or your dependents are considered newly covered, the first 12 months of coverage is referred to as a pre-existing condition waiting period. You may receive credit for any portion of your pre-existing condition waiting period which was satisfied by your previous healthcare coverage. This credit may be used in satisfying all or part of your pre-existing condition waiting period requirement. Pre-existing condition waiting period credit will not apply, however, under the following circumstances:

- The previous healthcare coverage was terminated more than 63 days prior to the member's effective date of coverage with SelectHealth, or
- The benefits or services were not covered by previous healthcare coverage.

Limited Coverage of Selected Services

Services for the following lists of selected diagnoses and procedures are always denied during the first 12 months of coverage unless determined by SelectHealth to be a medically necessary emergency. However, if a member qualifies for pre-existing condition waiting period credit, this credit will also apply to the following services:
